Dear Sir,

SALES OF HEAVY MINERAL PRODUCTS

This is to bring to your kind notice of our efforts for publishing the heavy mineral products and the tenders floated for sale abroad as the sales are export oriented and need participation of foreign buyers. The wide publicity will be imperative and advantage in sourcing of the buyers internationally. The tenders are published in the National Newspapers in addition to websites of Lanka Mineral Sands Ltd, Line Ministry and some other medias. However, it will be more prudent conveying message to the principle buyers in the industrial countries regarding the tenders specially China, India Japan, Korea, Singapore, UAE, UK, USA, Russia, German and Hong Kong. The all tenders are conducted through International Competitive Bidding Procedure and the participation of foreign parties is useful to make the tenders competitive and receive the higher prices for the products. Therefore, your assistance, in this regard will be of the worth.

In view of the above, we would be much grateful if you could extend your cooperation further to bring the following tenders those published and scheduled to publish to the potential buyers in the industrial countries through our Embassies as done in our last tenders by linking us with the potential buyers in the industrial countries accredited our H.E. Ambassadors. It will be the gain opportunity to gather more buyers and make our sales process more competitive.
